{Project Description}

Pavement Rejuvenation International, LLC (PRI) warrants that from the date RejuvaSeal® is applied and for a period of three (3) years thereafter, RejuvaSeal® will not flake, peel, chip or spill. PRI also warrants the treated surface to be fuel-resistant and remain fuel-resistant for a period of three (3) years after the date of application. This guarantee shall be effective only if spills are cleaned up as per local & state regulations.

Furthermore, the application of RejuvaSeal® will reduce the viscosity of the initially-treated surface by 20% and retain a 20% reduction as compared to the untreated surface for a minimum of two (2) years.
